August, 2018

As you and our students know, summer break is rapidly coming to an end and the start of the 2018-2019 school year is only days away. A number of groups have been preparing to get the fall season off to a great start. Band camp has been completed, the Diamonds and Cheerleaders are preparing their routines and all of our fall sport teams will start their quests for a state title on August 8th. Although there has been a lot of activity at Mountain Ridge the last couple of weeks, our doors officially open on August 29, 2018 to welcome our students back to another exciting school year.

As our teachers continue to develop lesson plans and activities to direct and enhance the skills our students will need to become college and career ready, we will be placing an emphasis on the use and mastery of academic vocabulary and higher critical thinking skills. The practical use of content specific vocabulary, as well as, other vocabulary associated with instruction is essential for student learning. With the changes in instruction associated with the Maryland State College and Career Standards and curriculum, as well as, PARCC assessments, we will be challenging our students in several ways. We will be asking them to accept the responsibility of mastering the skills necessary to become critical thinkers and college and career ready students who maintain the high academic standards associated with Mountain Ridge High School.

Our "Meet the Squad Night" will be held on Tuesday, August 28th at 7:00 pm. This event is scheduled to take place, weather permitting, in our stadium. Come out and support all our fall extra-curricular groups, their advisors and coaches.

In closing, please be a part of the Mountain Ridge High School environment. You are encouraged to be part of our School Improvement Plan, our Parent Advisory Team, Academic Endowment Foundation, and all of our support groups. Any information associated with Mountain Ridge High School, other than what is included in this letter, can be accessed on our website at www.mountainridgehigh.com or the Allegany County Board of Education website at www.acpsmd.org. If you do not have access to the internet, please contact the school at 301-689-3377 or 301-687-8014 to arrange for an information packet to be mailed or picked up. Let's work together to make this school year a positive, rewarding one for every student.

Opening Day Information/Hand-Outs:

The first day of school your child will receive some paperwork that needs to be completed by the parent/guardian. This important information *needs to be signed and returned to school* **BY FRIDAY, September 7, 2018.**

- ❖ **Telecommunications Use For Students** – Each student will receive a form titled “*Telecommunications Acceptable Use Policy for Students.*” This form outlines the purpose, safety, terms and conditions and rules for use of the internet in school and will be review with the students during their scheduled class meeting at the beginning of school.
- ❖ **Pesticide Notification Form** – Once again for this coming school year, public schools have to provide certain information to parents or guardians of students in the school, to students, and to staff members about the school *Integrated Pest Management System* and about pesticide application in school buildings. This also includes pesticide application to any school grounds. Notification requirements vary depending on the grade level of the school, type of pesticide applied, and pesticide application method. Parents and guardians of high school students must submit a written request to the school to receive notification of pesticide application within the building or on school grounds. Middle and High schools are required to develop a pesticide notification list, keep it current, and make it available to the MDA on request. ***ONLY SIGN THIS NOTIFICATION IF YOU NEED TO BE INCLUDED ON THE INTEGRATED PEST MANAGEMENT NOTIFICATION LIST!!!***
- ❖ **Participation Agreement** - Before a student may participate in extra-curricular activities, this contract must be signed by the student and parent. Failure to sign the contract and agree to these rules may result in participation being denied to the student.
- ❖ **Consent Form For the Administration of Tylenol and Approved Discretionary Medications By The School Nurse** – Each student will be given a form for parents to give consent for the administration of certain non-prescription medications. Tylenol (acetaminophen) will be provided in the health room to alleviate your child’s minor discomforts and to avoid early dismissals from school. This service is designed to help improve attendance and enhance academic performance. (Consent must be obtained before any medication is given to your child.) The medication will only be given with your signed consent, which is in effect for this school year only. All forms will go to the health nurse at Mountain Ridge High School.
- ❖ There will be no school calendars this year. The calendar will be available on-line at www.acpsmd.org.

Student Parking:

Students are to follow the instructions posted throughout the school grounds regarding parking. Students planning on driving to school will be required to register their vehicles with Ms. Judd. Those students will also be required to secure a parking permit.

Cell Phones:

Students are not permitted to use their phones during class time. Class time is defined as the moment a student enters a teacher's classroom until the moment a student exits at the end of the period. Cell phones may be kept in a student's locker or carried on their person but must be turned off during class time. Students that need to use the phone during class time will use one located in the main office. Students are not to use their cell phones to contact parents to pick them up when they are sick. All health related dismissals must occur through the health nurse. Students who bypass the nurse in this manner are considered to be in violation of the cell phone policy. The only exception to cell phone use during class time is when a classroom teacher allows the use of this type of device in their classroom for an educational purpose. Any student found in violation of this policy will be subject to consequences based on the number of previous offenses they have accumulated. This policy also applies to iPods and other electronic devices used for communication or entertainment purposes. Students who use these devices to record the behavior and acts of others during school time will be subject to appropriate disciplinary action for their participation in the event.

School Nurse/Health Room:

IMPORTANT NOTE: Parents are to bring all medications to school (IN THE ORIGINAL PRESCRIPTION BOTTLE) and deliver them to either the school nurse, or the Main Office (if nurse is unavailable.) This is simply a safety issue to ensure that medication does not fall into the wrong hands. **STUDENTS WHO BRING MEDICATION TO SCHOOL WILL BE SUSPENDED!!!** **If a parent has a problem bringing medication to school, please contact the school nurse.

Any time a student needs to go to the health room, they **MUST** obtain a hall pass from their teacher. Students will not be permitted to go to the health room without a pass (unless in an emergency situation.)

Physical Education Information:

Uniforms for students participating in physical education classes will be available to purchase for \$24.00 per set. Each set includes shirts and short. (Uniforms will be mandatory.)

Our school is participating in the Martin's A+ School Rewards Program, running from October thru March. Mountain Ridge High School earns 1% of what you spend at Martins during this time. Register your Bonus Card online @ www.MartinAplus.com. Our school code is 00248. Register today!

Flower/Gift Deliveries for Students

Parents are asked to please not have flowers and/or other gifts delivered to the school. Over the years, this has been happening more frequently and has become very disruptive to the learning/teaching process. We appreciate your cooperation in this matter.

Extra-Curricular Activity Information (Dances – School Functions)

When having school sponsored dances, any student who is planning to bring a guest to that dance must obtain a guest permission form from the main office. These forms will need to be approved by the principal one week before the dance before that guest will be permitted to attend. **ALL GUESTS MUST BE UNDER THE AGE OF 21!!** Please note: *Middle school students will not be permitted to attend any high school dances/functions as a guest. There will be no exceptions!*

Breakfast/Lunch Prices for the 2018-2019 School Year:

PRICE GUIDELINES ARE LISTED BELOW.

As before, applications for free and reduced breakfast/lunches are being mailed to each household sometime during the month of August. A reminder to parents: **PLEASE COMPLETE YOUR CHILD'S APPLICATION AND RETURN IT TO EITHER THE SCHOOL FOOD AND NUTRITION OFFICE OR THE SCHOOL THAT YOUR CHILD ATTENDS AS SOON AS POSSIBLE.** In doing so, this ensures that your child will receive these services promptly.

Early Dismissal From School/Absence Policy:

Once again, we are requesting that parents call the attendance office at 301-687-8018 between 7:30 and 8:00 a.m. to report if their son or daughter is to be absent, tardy, OR to verify that a student will be excused early from school that day. Mrs. Lopez will make a call to each household (unless otherwise noted) to verify the student's absence for that day. All bus students will be entering Mtn. Ridge High School on the 2nd floor. All students turn attendance notes into room #106 (Mrs. Lopez/Attendance).

- If a student is to be excused from school, he/she will be issued an "Excused from Mountain Ridge" note. PLEASE NOTE: To clarify the early dismissal policy, we are requesting that if a student brings a note to be excused early that day (and is driving himself or herself from school) the parent of that student should call the office to confirm this information. **If a phone call has not been received and the note has not been confirmed, the student WILL NOT BE PERMITTED TO LEAVE SCHOOL PREMISES!**
- If a student has been absent, he/she should also take his/her note from the parent/doctor/dentist, etc. to the attendance office. The student will then be issued an "Admit Slip" to be given to each teacher (of the class that he/she previously missed) to be signed off on.
- If you are having your child dismissed early from school (and are coming to pick them up,) we ask that you *come into the school* to sign them out in the attendance office.

Mountain Ridge Tardy Policy:

Tardy to Class:

Students who are referred for being tardy to class will be subject to the progressive discipline policy.

- a) 1st referral = 1 after school detention
- b) 2nd referral = 2 after school detentions
- c) 3rd referral = 1 day in-school intervention
- d) Additional days of ISI will be assigned for each referral incurred beyond three.

Tardy to School:

A tardy to school is only excused if a doctor's note, court document, or evidence of death in the family is submitted. Students who are excessively tardy unexcused to school are subject to disciplinary action based on the following criteria:

When a student has been tardy to school unexcused...

- a) 8 times, a conference with an administrator will occur, a warning will be issued, and a phone call made home.
- b) 12 times, two after school detentions will be assigned by administration
- c) 15 times, one day of in-school intervention will be assigned by administration
- d) For every 5 times tardy beyond 15, one additional day of in-school intervention will be assigned
- e) Students may lose the privilege of attending extra-curricular activities at school

Attendance Policy

THE FOLLOWING ARE EXCERPTS FROM THE ALLEGANY COUNTY ATTENDANCE POLICY

Regular school attendance is expected of all students in the Allegany County Public Schools. School attendance is directly related to school achievement. In order to maximize academic achievement, there must be a unified effort by all school staff, parents, students, and the community to improve overall school attendance. School administrators, teachers, and support staff are expected to make all reasonable attempts to assist students and parents in addressing those factors which cause students to be absent from school.

- i. The school system will be responsible for notifying parents/students of accumulated absences and possible actions as specified below. However, when the principal or his/her designee has knowledge of the student's illness, principals are advised to forward the communication to the parent with an appropriate addendum referencing the principal's knowledge of the circumstances. No part of this section shall be applicable to students who are participating in Home and Hospital Instruction.
 - a. When a student accumulates five (5) days of absences regardless of the reason, parents/students will be notified by written communication from the school system. The case will be referred to the school attendance/discipline committee which shall be composed of the principal or his/her designee, the school's pupil personnel worker and other staff members assigned by the principal. The committee may invite the student's parents to come to the school for a conference and to determine available courses of action to improve attendance.
 - b. Should absences continue, the parent will be notified by written communication from the school system, no later than the ninth (9) day of absence. Within this written communication, the parent will be asked to schedule a conference with the school administration and or the school pupil services team.
 - c. Should absences continue, the parent will be notified again by the school system in writing, no later than immediately after the twelfth (12th) day of absence. The school system will send written communication, by mail. A conference with the parent and/or the student will be held.

At the conference, the principal or designee may indicate on or more of the following outcomes as a result of the conference:

- i. Establishing a probationary period with verbal agreement
- ii. Developing a written contract (to be signed by the parent)
- iii. Assigning to after school detention
- iv. Assigning additional days of attendance
- v. Removing school privileges
- vi. Restricting extracurricular activities
- vii. Explanation given to the parent of the criteria for, and the services provided to a student who may qualify for Home and Hospital Services, if appropriate, given the situation surrounding the student's absences.
- viii. Written notification to the parent will be immediately mailed to the parent, confirming the above action(s) taken

- d. When a student accumulates a total of twenty absences, with at least five (5) of those absences being unlawful, or ten (10) consecutive unlawful absences, the school's PPW will file charges with the State's Attorney's Office against the parent/guardian and/or the student for non-attendance. This action will be confirmed in a letter written by the PPW to the parent/guardian. The letter will also indicate additional consequences issued by the school which may include:
- i. Retention in the grade (grades K through 8)
 - ii. For students in grades 9-12 who have accumulated a total of 15 unlawful absences, denial of high school credit for the courses in which the student is currently enrolled. Denial of credit will normally occur in June; however, a student and parent shall receive written notice of the possibility of credit loss at the time the attendance/discipline committee makes this determination. High school credits may be denied for individual courses if there are excessive absences. (An example of this may be excessive tardiness and absences to disrupt the student's first period class.)
 - iii. Referral to an appropriate agency for assistance
 - iv. Assignment to additional days of attendance (not included in regular school year).
 - v. Referral to GED services for those students beyond the compulsory attendance age.
 - vi. Withdrawal, as a student whose whereabouts are unknown (only to be used for a student who has been absent for ten (10) consecutive days, as per the 2011 Maryland Student Records manual)
 - vii. Assignment to an alternative educational program.

Attendance and Tardy Policy/ Obligation Policy

Participation and attendance to any school dance will be denied to any student having an outstanding obligation or who is in violation of the attendance and tardy policy.

Attendance and Tardy Policy

For Example: A student has accumulated 8 tardies or more to school prior to the Homecoming Dance. That student will be denied the privilege of attending the dance.

Obligation Policy

For Example: A student owing \$20.00 or more must meet his/her obligation prior to the date of the dance.

Guidance News:

Mrs. Leesa Blank and Mrs. Beth Ternent are the counselors at Mountain Ridge for the 2018-2019 school year. Counselors have been busy this summer with schedule changes. Mrs. Blank will be in charge of all sophomores and seniors and Mrs. Ternent will be in charge of freshman and juniors.

Students who are trying to acquire a driver's permit through the MVA must complete the attendance verification form from Mrs. Lavin in the guidance office. Forms can be picked up in Guidance or can be printed from the MVA website. Before going to the MVA, the form must be completed and signed by a school official. The form will then be placed in a sealed envelope (required by MVA) to be returned to the MVA.
